

MASSACHUSETTS (BOSTON)

ALARM TECHNICIAN ASSISTANT

AFA Protective Systems, Inc., an established Alarm Installation and Monitoring Company, has an immediate opening for individuals that are interested in taking an entry-level position to learn a new career as an Alarm Technician in the Massachusetts area. The successful candidate should be looking for a long-term employment and eager to learn how to install, service and program burglar alarm, fire alarm, closed circuit television, and access control systems. Compensation package includes great hourly wage plus overtime, trade tuition reimbursement, expense reimbursement, 401k retirement plan and medical and dental plans. If you're a team player, who is looking for a company that will provide long-term stability and if you are not afraid to work hard, we want to talk to you!
