

GEORGIA (ATLANTA, METRO AND SURROUNDING COUNTIES)

SALES REPRESENTATIVE

AFA Protective Systems, Inc., an established alarm service, installation and monitoring company, has an immediate opening for a sales representative in the Atlanta Metro and surrounding counties who is looking for a long-term employment relationship. The successful candidate should have at least 3 years minimal commercial selling experience in Fire, Intrusion Security, Access Control and IP Video Systems.

This position requires a large amount of marketing activity including canvassing for new accounts, joining Industry Associations, and following up on both company-supplied and self-generated leads etc. Compensation package includes Salary, Commission Plan, Expense Reimbursement, 401k Plan, Paid Vacation and Medical and Dental Plans. If you are a “team” player who is looking for a company that will provide long term stability, loyalty, unlimited commission opportunities, sales/product/service support, and if you are not afraid to work hard to meet your goals, we want to talk to you.

Experience in selling fire alarm inspection services, along with the sales of alarm monitoring, fire alarm and security systems to building owners and property managers is a PLUS! We will train the right individual.
